

How to add a posting into the blog forum

The image shows a website layout for a Primary School. At the top is a blue header with the text "Primary School". Below this is a large white content area. To the right of the content area are three vertical sidebar sections: "Photo Walls", "Galleries", and "E-Books". Below the content area is a horizontal navigation bar with the following links: "Main Website", "Information Centre", "Newsletters", "Notices", "Blog", "Contact Us", and "Comments". The "Blog" link is circled in yellow, and a black arrow points from a red-bordered box containing the text "Click on the blog link" to the "Blog" link. Below the navigation bar is another row of content boxes. At the bottom left, the text "Blog Posting Page 1" is visible.
